12 ANGRY BLOOMERS

ANNENBERG PRINCE THEATER
THURS, OCT 17TH 8:00 PM
FRI, OCT 18TH & SAT, OCT 19TH

A BRIEF HISTORY OF BLOOMERS

In 1978, Bloomers was founded by Joan Harrison (C'81) as the first collegiate women's comedy troupe in the country.

Today, Bloomers has evolved to a troupe for all gender minorities in comedy. For the last few decades, Bloomers has written and performed original sketch comedy. We produce a completely new show each semester both on and off Penn's campus.

Like those before us, we wear our Bloomers proudly.

LETTER FROM THE HEAD WRITER

Hey you! Yes, you! To thank you for coming to our amazing show...there's a surprise...UNDER YOUR SEAT! No, no, there's not. But wouldn't that be cool? There are countless people who made this production possible, and I want to thank band, tech, biz, and costumes for launching our words and ideas off the page and on the stage. I also, of course, want to thank my writing team for their brilliantly humorous brains, appropriate use of tricolons, baking all half-baked ideas, and for bringing their observations of the world into our very special writing room. Bloomers members bring a range of experiences, perspectives, and unique styles to this production, and we hope our show reflects just that. Being a part of Bloomers has been the most rewarding experience during my time at Penn, and it wouldn't be possible without audience members like YOU! Please feel free to admire this picture of me and fellow bloomer, Isabel Sweeney, while you wait for the show to begin. Enjoy the show :)

WRITING

Drew Naiburg-Smith

Drew, the head of all writers, is truly one of one. You might be asking, wait how is she head writer, isn't she in the cast? The thing about Drew is that she is a woman of many hats, can't be confined to simply one role, and you should probably stop asking such invasive questions about her.

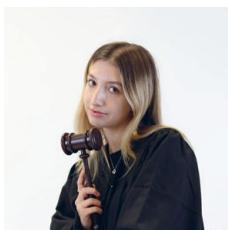

Valeria Bonomie Piñerua

How to describe my dear friend Vale... How do you hold a moonbeam in your hand? Being the chair of this club isn't even hard for her because she once competed on College Survivor San Diego. Not to mention her writing talent...you don't even know what a diss track is until you've heard a Vale original.

Anna Hochman

This chicky-ta is criminally wise in the department of pop culture. Anna enjoys apple with cheddar, Mason Dissick Instagram posts, and Reformation emails. Once you've gained your breath back after seeing her gorgeous blonde hair, you'll soon realize that you might, you fear, have met the funniest girl alive.

Daphne Glatter

Daphne is a certified writing classic. The room wouldn't be the same without her medieval references, yo momma jokes, and Mets updates. Stay tuned for the day Daphne takes over the world of academia and takes down the New York Times, but until then, we're happy to have her.

Iniyaal Raguraj

And she can dance, too? She might arrive late, but one thing Iniyaal will always bring is a glowing smile and an infectious attitude – and probably a great outfit, too! Her Instagram presence is almost as epic as her jokes, and she'll always have a hug for anyone who needs one.

Nysa Dharan

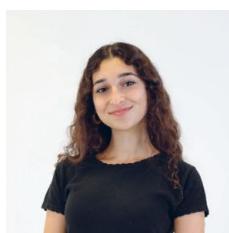

She loves Kafka more than anyone I've ever met and says modernists and philosophers are her favorite comedians. An intellectual with a flair for sketch comedy, what's not to love? We're lucky to have Nysa as an upperclassman bulb, and you're even luckier to watch her work on stage!

Trisha Bheemanathini

The stylish Trisha, who brings her Dyson to show, and has impeccable perfume taste. Literally the compliment, "you smell good" is trademarked to her. She is so witty and sweet, and always has a positive mentality whenever you talk to her. She hails from Bama and will clown on any other football team.

Maia Saks

With incredible style and great taste in jewelry, Maia writes in our section with such grace and poise. She's your favorite Philly native with intelligence and humor for days. Maia will be running the country one day and will be the best dressed person to ever step foot in the Oval office.

Hannah Stoitchkov

Towson, MD is listed as an "unincorporated community" on Google, but it's actually the iconic home of Hannah Stoitchkov. With secret ancestral FC Barca ties, soccer's in her DNA—but so is her legendary comedy. She never fails to bring the vibes & smiles (along with her *slight* celsius addiction).

Abby Adelman

Writer extraordinaire and highly decorated bulb, Abby leaves no comedic frontier unexplored. Her last name is Adelman - but it should be Able-man cus she can literally do everything #ace. She's on the lookout for a Nice Jewish Boy (NJB), one that can keep up with her dynamic, explosive, and frankly seductive comedic chops.

Natty Antwi

Natty, Natty, Natty. Queen of bulbs and all things funny. Her pop culture knowledge astounds all as she makes sure to thank Beyonce and keeps this show safe. Lover of rollercoasters and Ross Lynch, she brings her charm, wit, and humor to every writing meeting and tech week shenanigan.

Yvan Phan

An artist with a penchant for bandanas, stylish with the wit to match, Yvan will make your heart skip a beat. She's funny, and oh so talented, and thank god we have her here at Bloomers otherwise she'd be off painting the next Picasso or running Vogue.

TECH

Adya Gupta

Adya's last meal on death row would be nuts and bolts, rolled oats, and a steaming cup of chai.

Connie Pan

Connie's last meal on death row would be grilled cheese and tomato soup, served alongside an 8oz block of extra sharp cheddar cheese.

Haydr Dutta

Haydr's last meal on death row will be a delicious, juicy, mouth-watering, earth-shattering, Chicken Shawarma from Cafe Iftar in Bangalore (the best place in the whole wide world).

Lillie Abella

Lillie's last meal on death row would be Ochatto's three roll dinner special with seaweed salad on the side

Maya Mathur

Maya's last meal on death row would be edamame dumplings with an iced coffee.

Xue Jiang

Xue's last meal on death row would be a delicious BLT sandwich, 5 cherry tomatoes, and a glass of tomato juice.

Leo Barocas

Leo's last meal on death row would be Annie's white cheddar shells Mac and Cheese (the classic can't be beat)

Madison Dengel

Madison's last meal on death row would be copious amounts of tofu with crumbled tofu to garnish.

Xihluke Marhule

Xihluke's last meal on death row would be Pret hot chocolate, South African fermented milk, and a bowl of oats and honey.

Roshni Aneja

Roshni's last meal on death row would be to eat a singular slice of Burger King Hershey Pie in 2012.

Sofiat Bamidele

Sofiat's last meal on death row would be spicy sweet chili doritos

Opal Unwin-Wisnosky

Opal's last meal on death row would be an egg and cheese bagel from Spread Bagelry and a pumpkin spice latte (Opal is happy your taxes are paying for this meal and not his wallet).

COSTUMES

Leah Hopf

she didn't know stealing was a crime until she was caught... felt-handed..? you don't understand, your honor, no one in costumes has the same knack for making rodent costumes from scratch like leah does (only real ones remember rat val rat from fall '23).

Keemia Sarafpour

But Your Honor, her mini skirt was sooooo cute and she didn't know she'd have to scale any fences!!

Anna Hallac

On the day of the crime Anna was actually winning first gold in the downhill ski competition, then dashing off to a conference on the global energy crisis. With such a packed schedule, how could she possibly have been anywhere near the scene of the crime?

Anna O'Neill-Dietel

Your honor, my client is not guilty of impersonating a member of the squad, the only act of congress she wishes to participate in is crafting their seat cushions and pleading the fifth member on her gymnastics team to get off the bars!

Aly Kerrigan

It is a civil right to host a mustache themed birthday party. In a world where everyone is encouraged to conform, why shouldn't we have the freedom to sport a dashing 'stache on socks, cups, shirts and glasses?!

Clara Skovronsky

your honor, clara meant to simply bump him with her car. gently; a love tap so to speak. Indeed, this "vehicular homicide" was in fact no homicide at all but rather a love tap gone somewhat awry.

Alex Fisher

Seeking underwater zen isn't avoidant behavior; it's a necessary strategy for navigating the chaotic waves of life! Let the girl surf in peace!

Zoe Lachter

For a girl like Zoe arson is a matter of self expression, not crime. For such a beautiful mind, malicious arson isn't even possible. We never question if PAC shop has bad vibes? Or if it's just unpleasant to be around? those hot glue guns are hard to unplug...

Lily Grace

Your Honor, my client was simply trying to bring the world together, one suspiciously large suitcase full of drugs at a time. If anything, she should be praised for her commitment to international relations—unfortunately, customs didn't appreciate her enthusiasm for 'spicing up' global trade!

Tova Niles

But your honor, please, it was only a misunderstanding of international protocol -- she didn't mean to start a war; it was all just Model UN!

BIZ

Riley's excuse for evading jury duty is that she's... gone knitting.

Leann Goldberg

Leann's excuse for evading jury duty is that she's... actually on a different trial because she got caught stealing food from commons

Teodora Dragic

Teo's excuse for evading jury duty is that she's.... too busy planning her wedding to that one guy so she sent leann (#twin) in her place

Noelani O'Hare

LA

Izzy Welsh

Izzy's excuse for evading jury duty is that she's... either in Cannes or at a Taylor Swift concert.. unclear.

Priya Bhavikatti

Priya's excuse for evading jury duty is that she's...on the run because she has pics of the crime

Moira Connell

Moira's excuse for evading jury duty is that she's... busy bleaching eyebrows for sweat tour

Melissa Redlich

Melissa's excuse for evading jury duty is that she's... bashfully kissing.

Camila Moreno Juarez

Cami's excuse for evading jury duty is that she's... busy recreating the trial on minecraft.

Erin Jeon

Erin's excuse for evading jury duty is that she's...at a Qdoba conference

Angelina Hu

Angelina's excuse for evading jury duty is that she's...busy inventing electricity

BAND

Tina "Fitted Closet Sale Mommy"

Zhang

Mommy. That's all. After completing every side quest Penn has to offer, Tina decided to adopt. If you're not one of Tina's 40 children on campus you are most definitely missing out. Get on the I (heart) Tina shirt! #EverythingIsFakeButLove. When I miss my mom I give Tina a hug and everything is fine again.

Nikki "JNCO Ambassador" Okoli

Meet Nikki, the mysterious girl everyone secretly crushes on. She casually introduced the coolest song to the set. She's often spotted at the Harrison's rooftop lounge or lurking the halls of Platt. Just off vocal rest, Nikki's your go-to for late-night Steven Universe or 5-Minute-Craft marathons.

Marcus "Built Different" Butler

The Commons FEIN is always spotted with a huge smile, box of peanut butter pretzels, or large jug of mystery beverage. He's allergic to everything healthy including fruits and vegetables. Are these the ingredients to his many talents – backflipping, 99% speed at Penn, taking baths?

Isa "Cool Cat" Turri

Our band manager! You can't miss Isa with her tiny mic and fiery red hair. She slays every shade of blue – she just chill like that. If you make her fit check or own one of her limited designs (shoutout @isaart.it), you've won. The only thing sweeter than Isa's Milanese desserts is Isa herself.

Veronica Shred that Solo” Baladi

Have you ever eaten a bagel before, well not according to Veronica. Have you ever used a pick before, well Veronica hasn’t. Still, she shreds! On guitar, on vocals, chicken pasta probably also. Veronica is wise beyond her years and with her shoulder to lean on, no mountain is insurmountable.

Sandyha “Soldier Healing from Exploded Eardrums” Mahesh

Sandy is more productive than you are. She DJs. When she’s not an M&T genius, she’s working at a top-name music label. On top of that, she’s a world-champion ice skater. And secretly a pianist and singer? You would never guess she plays viola in band. What can’t she do? Get her Houston order.

DJ “David Joseph” Bevan

Who’s is the indie cali carhart boy with paint stains on every single pair of pants? Dee Jay? This man cannot make a straight face for his life. Lucky for you, he’s always smiling. He’s actually a cutie pie that gets super nervous about the smallest things. But ur a performer now DJ so chin up king.
